Dear Sir/Madam,

APPLICATION FOR THE POST OF MECHANICAL ENGINEER

I am seeking a **Mechanical Engineer** position at your company, as I both heard of your opening, and have heard of your successful reputation in the industry. My experience meets all your requirements, and I have more details to offer in this cover letter and resume.

I have completed whole academic and training period of the Higher National Diploma in Engineering (HNDE) course in the field of Mechanical Engineering. (Ref & Air Conditioning) HNDE course is established in Sri Lanka under the guidelines of Business and Technological Education Council of United Kingdom (BTEC-UK), which is a full time English medium course, composed of three years Academic studies and half years In-plant training. The HNDE course is governed by the **Sri Lanka Institute of Advanced Technological Education (SLIATE)** under the **Ministry of Higher Education**

Thanks for taking the time to see this cover letter and resume. I'm looking for your valuable reply as soon as possible.

I'm based in DOHA with Transferable Visa & NOC.

Thank you.

Yours Sincerely,
k.kajatheepan
